

**To Whom It May Concern**

I am pleased to write this letter of recommendation for **Mr. Jainish Patel**, who completed his summer internship at **Space Applications Centre (SAC/ISRO), Ahmedabad** from May to July 2025. Having had the pleasure of working closely with him during his time as an intern, I can confidently attest to his intellectual curiosity, dedication, and a strong desire to learn.

He quickly adapted to the environment with a positive attitude and approached each task with keen attention. He consistently exceeded expectations, completing tasks efficiently and contributing valuable insights during review meetings. He has the ability to take initiative and approach challenges with a creative and solution-oriented mindset to meet the deadlines.

In addition to his technical skills, Jainish is a great communicator and works well both independently and as part of a team. He is highly motivated, organized and always open to feedback, continuously striving to improve and develop new skills. His professionalism and strong interpersonal skills allowed him to build meaningful relationships with colleagues and supervisors alike.

I am confident that he will thrive in any environment, further develop his skills, and make valuable contributions to his chosen field of study. Should you require any further information or have any questions, please do not hesitate to contact me.

Sincerely

**K V N G Vikram**

**Scientist/Engineer – ‘SD’**

**Earth & Planetary Sciences and Applications Area**

**Space Applications Center ISRO**
